There are no subscription charges for either of these publications - they are sent on a donation basis. We invite you to be a "ministry partner" to help us distribute these papers, and get the facts out to more young people.
Please help us by sending whatever you can afford or feel led to give, and requesting as many regular copies as you can use. All we ask is that you undertake to distribute them free of charge and not waste them. If you are a UK taxpayer, please consider completing the Gift Aid declaration below, so that we can receive a further 28p in the £1.
